EDUCATION | 10.10

**RANKED NO. 1,
YET AGAIN.**

**TBR RANKS THINKPAD®
NOTEBOOKS NO.1 IN
CUSTOMER SATISFACTION FOR
THE FIFTH TIME IN A ROW.**

Lenovo PCs are built with attention to detail. They set high standards in quality, durability and performance. So it's no surprise that TBR ranks us No.1 in customer satisfaction, year after year.

Lenovo ThinkPad® Edge 14"
(0578JYM) notebook
is powered by
Intel® Core™ i5 processor.

**Faster.
Smarter.**

Lenovo recommends Windows® 7 Professional.

THINKPAD® X201

THINK ON THE MOVE.

A lean, mean machine from the ThinkPad® family.

Powered by the 2010 Intel® Core™ i5 vPro™ processor, the Lenovo ThinkPad® X201 Tablet notebook is what every student needs. Your students will interact naturally and easily with this convertible tablet notebook using a digitizer pen, keyboard or optional multitouch touchscreen panel. Plus, long battery life and wireless connectivity options including mobile broadband and WiFi helps students do much more while on the move. Combine this with security features like a magnesium-alloy roll cage and spill-resistant keyboard and you have the ultimate tool for students.

OPTIONS

Lenovo Wireless Laser Mouse – Black (45K1696)

The portable, ambidextrous Lenovo Wireless Laser Mouse lets you scroll through documents and spreadsheets with increased accuracy and control with its high-definition sensor. An advanced power management system, high-efficiency laser sensor and off switch help you maximise battery life.

Lenovo ScrollPoint Mouse – USB (31P7405)

Get better control with the Optical 3-button ScrollPoint Mouse USB 800dpi optical sensor. The 800dpi optical sensor is more accurate and faster than before. The ScrollPoint pointing stick is ideal for both horizontal and vertical scrolling, unlike standard wheel mice. Optical technology provides precision control and has no mechanical ball, thus there is no need for a mouse pad.

Lenovo Ultra-slim Wireless Keyboard and Mouse – U.S. English (57Y4700)

The Lenovo Ultra-slim Wireless Keyboard (2.40GHz) and Mouse feature a compact footprint and the convenience of cordless freedom, comfort and control. The stylish black finish and subtle silver accents complement your office or school setup and the compact design helps save valuable desk space.

ThinkPad® 12W Sleeve Case (51J0476)

Designed to fit and complement ThinkPad® notebooks up to 12W, this sleeve protects your notebook from being scratched. You can use the sleeve inside another carrying case or on its own.

ThinkPad® 13W/14W Sleeve Case (57Y4293)/(57Y4294)

The ThinkPad® 13W and 14W Sleeve Cases are designed to fit and complement your ThinkPad notebook. They protect your notebook from being scratched. You can use the sleeve inside another carrying case or on its own. Each case is reversible, with red and black colours.

Lenovo Messenger Carrying Case –Green/Black (41U5253)

Fits up to 15.4" notebooks. Carry your notebook, papers, books and other items in the Lenovo Messenger Max. This lightweight case is comfortable to use and protects your notebook as you travel to school or work.

OPTIONS

ThinkPad® Basic Case (43R9113)

Carry your ThinkPad® notebook in the stylish ThinkPad Basic Case. This functional carrying case has been designed specifically for ThinkPad notebooks up to 15.6" wide.

ThinkPad® Ultraportable Case (41U5062)

Carry and protect your ThinkPad® notebook with the professional ThinkPad Ultraportable Case. This lightweight carrying case has been designed specifically for ThinkPad notebooks up to 13.3" wide.

ThinkPad® X100e Sling Case (57Y4287)

The ThinkPad® X100e Sling Case is perfect for on-the-go computing. This case is very thin and lightweight, and our ThinkPad notebooks slide easily into the notebook compartment. It also has pockets to hold your AC adapter, headphones or other small peripheral devices.

Lenovo recommends Windows® 7 Professional.
